TRANSPORT POLICY

Coaches and club staff will be responsible for children in their care when on the club premises or on arrival at opponents' cricket grounds.

It is not the responsibility of the coach or team manager to transport, or arrange to transport, the children to and from the club or match.

The club must receive permission from parents/carers for children to participate in all competitions and away fixtures/events.

It is advisable for Coaches to also establish with parents/carers a "pick up and drop off" policy, which specifically addresses matters such as late collection of children. Developing this policy at the start of season meeting will provide an opportunity to establish both club and parental expectations and will provide club officials with guidance should an incident arise during the season.
